Sir:

subject check was cashed by the PTO as evidenced by a copy of the front and back of the canceled check which is enclosed.

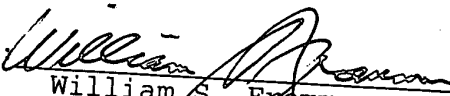

The Patent and Trademark Office acknowledged receipt of the above application on the postcard return receipt and date-stamped the postcard "Mar 20, 2001". A copy of this postcard is enclosed herein. However, no Serial Number was stamped on this postcard.

Another copy of the application papers "as filed on March 20, 2001" is provided herewith.

It is respectfully requested that this Continuation Application of Serial Number 08/909,448 be assigned a Serial Number of its own and a Filing Date of March 20, 2001. The issuance of a Filing Receipt is also respectfully requested.

Respectfully submitted,

RE:

Serial No. 10/045,576

Dear Ms. Dillard: Please find a copy of the postcard return receipt date stamped March 20, 2001, the date when the above application was filed. Since there was no Serial Number assigned to this application on 1/15/02 we sent all the papers back to PTO asking it to assign a serial number to application filed on 3/20/01. PTO assigned a Serial No. but gave us the filing date as 1/15/02. Please issue a corrected Filing Receipt on the above serial number with a filing date of 3/20/01. Also please vacate the Notice to File Missing Parts on this Serial Number because PTO cashed our check for \$740.00 that was sent on 3/20/01. Copy of the canceled check was provided to PTO on 1/15/02. Thank you for your attention to this matter. Please call me at the telephone below for any further documents needed to put this application in good standing.

I certify that this paper is being facsimile
transmitted to the Patent and Trademark Office
on the date shown below.
